### January/February Newsletter

The New Year started with a stop in Springfield, IL. Bro. Marty Montgomery is the pastor of Capital Baptist Church and God has blessed this young man since he started this church in September of 2015. Debbie and I were privileged to help start this church through our home church and the Reseeding Illinois ministry.

Preachers, we need new churches in Illinois and Reseeding Illinois stands ready to help through Manpower, Materials and Money. If you know someone or God directs you to start a church in Illinois please contact me or my pastor, Dr. Terry Anglea.

We left Illinois and headed for Texas and were able to attend a Spanish mission's conference with Bro. Isaac Rodriguez. Two men from Israel spoke about what is taking place there and we need to continually lift God's chosen up in prayer. The spirit was great and the preaching was also by Bro. Bob Gray II.

After a bout with the flu we returned to Illinois and Grace Baptist church of Quincy. We spent time with this church and their pastor during Bro. Moncofsky's wife's illness. We made a quick trip back to Texas to be with dear friends in Coleman. Pastor Doug and Robin Whittington are at Central Baptist and need prayer as they work to rebuild this church. We had 2 saved while in Coleman and look forward to hearing of God's blessings on this faithful couple.

We are now back in Quincy after the homegoing of Mrs. Kelly Moncofsky. We were privileged to see God's abundant grace displayed by the smiles and joy on Kelly's face and the powerful testimony as she knew her journey home was near. The doctors and nurses commented about this "different" spirit in this room.

We are thankful to help at Grace Baptist so that Bro. Moncofsky and his 5 children (our grandchildren) can take a month away to begin God's comfort and healing in their lives. Pray with us for this dear family and church.

Debbie and I will resume our schedule in the middle of March, traveling on the deputation and helps trail.
