September/October Newsletter

“For this cause left I thee in Crete, that thou shouldest set in order the things that are wanting, and ordain elders in every city, as I had appointed thee.” Titus 1:5

What a vision God had given Paul that we need restored amongst our brethren today, that vision of having a pastor and church in every city. Every church should have a vision of duplicating themselves so that every city (in America and around the globe) would have a gospel preaching, soul winning, separated Baptist church.

During September and October we had the privilege of being in 14 churches, mostly in Missouri. Harvest Baptist of Villa Ridge, Pastor Tom Ison, allowed me to preach a week long revival. There was good attendance, great food and fellowship, but the greatest blessing was many made decisions of a closer walk with God with one getting saved during the meeting. This church also, in addition to a generous offering, provided new tires for our truck, which was desperately needed.

After being at First Baptist of Brighton, IL and Grace Baptist of Macomb, IL it was on to Heartland Baptist Church of Perryville, MO. Pastor Jim Kiefer held a Missions Conference on Wednesday thru Sunday. We had a great time of preaching, encouragement and made some new friends during this meeting. I was allowed to preach the opening message on Wednesday night and again on Sunday morning. We saw one saved on Wednesday night and was baptized Sunday.

Pastor Brian Andrews and Amazing Grace are always a blessing to be with. There is always great liberty to preach and they provide some great fellowship and another generous offering to help with truck maintenance.

Pastor Dave Wagner of Branson Baptist allowed us to come and preach on a Sunday night as we traveled to a Church Planters Conference at Wilson Creek Baptist, Bro. Randall Moody. We met many church planters, about 25 or 26, and look forward to God using us with some of these church plants.

We closed out October with dear friends in Iuka, MS, Pastor Doug Evans and Sardis Baptist Church. They are always so kind and it was a joy to be there and to see God’s working.
