*“And we know that all things work together for good to them that love God, to them who are the called according to his purpose.” Romans 8:28*

Aren't you glad that our God is in control? With all the crazy events it would otherwise seem our nation is spinning out of control. On May 2<sup>nd</sup>, we participated in a “Drive thru Picnic” in the parking lot of our church. Pastor Anglea knew it was important to stay in “touch” with one another if only from our cars, so as the church family drove into the parking lot we passed out hot dogs, chips, drinks and an ice cream treat. It certainly helped to fellowship with one another during the pandemic.

On May 20<sup>th</sup>, we were privileged to attend a Missions Conference at Zion Baptist Church in Coushatta, LA. It was a wonderful time, making new friends, seeing some familiar faces, along with great preaching. We are grateful this church has chosen to support us monthly. Thank you to Pastor Sumler and Zion Baptist family. On our way home, we stopped in Festus, MO, preaching at Second Baptist on Sunday morning and evening. To close out the month, we were at Maranatha Baptist of Rantoul, IL filling in for Bro. Mark Wilkerson.

June has found us mostly close to home due to cancellations. On June 18<sup>th</sup>, we were with Capital Baptist in Springfield, IL, a church we helped start, preaching on missions during their Missions Emphasis month.

We are excited to be adding a new ministry to Ambassador Baptist Ministries. It is a “Bible Handout” ministry. In the enclosed letter, I will introduce the ministry to you. Please read the letter, pray with us and plan to participate in an exciting soul winning opportunity.
