November/December Newsletter

*“Then said Jesus to those Jews which believed on him, If ye **continue** in my word, then are ye my disciples indeed;” John 8:31*

The key word in this verse and that applies to these times is **continue**. No matter the circumstances we are in personally or as a nation, our lives and the work are to continue to “occupy till I come.” Ms. Debbie and I will joyfully continue on by God’s infinite grace.

We are late getting our end of the year letter out because of answered prayer. As some know we have been praying to pay off the 2013 Landmark in 20 months. February will end those 20 months. Due to an incident in August of 2019 the trailer frame was bent and has now been totaled. The insurance has paid off the loan and we have purchased a 2014 Landmark with cash and are Debt Free! Thank you Lord,, for answered prayer, though it was not how we expected. We want to thank the Bingham family for helping us move into our new trailer.

The unusual year of 2020 ended with adding Bible Handouts to our ministry. Fifteen churches and two missionaries have begun to do Bible handouts and God provided money for 20,000 New Testaments. We have continued soul winning training, helped start a new work in Ipwich, SD, preached 2 revivals, have been in Missions Conferences or presented our ministry 8 times, made a trip to Maine and presented the work 5 times in a 2 week period, was in 4 camp meetings and had 19 saved through the year. During this COVID year 3 churches had to drop our support but Praise the Lord, we had 2 churches take us on.. Also, due to cancellations, we had the privilege of spending about 2 months at our home church. We love Pastor Terry Anglea and Faith Baptist Church.

We are looking forward to 2021 and the exciting times we are living in. If you are interested in having us come to do a Bible Handout, soul winning training, or to help in any way, please contact us.
