### September/October Newsletter

We ended August at home by participating in a Bible Handout on Tuesday and church on Wednesday night. It was great to hear our pastor and visit with family and friends before leaving Friday for a very busy September and October.

We are continuing to see new churches added to the Bible Handout Ministry which means more Bibles are needed. When checking with the printer our price for printing will be increasing 30%. This means we will be \$5000 short on our next printing. We are asking you to pray and please give to help print these New Testaments. This will be a great investment for missions' dollars. Send all donations to Faith Baptist Church and put a memo that the money is for printing Bibles for the Bible Handout Ministry.

We are grateful to First Baptist Church of Clinton, IL for taking us on for support during their Missions Conference. We had a great time there and added this church to our list of Bible Handout participants.

The Lord is so good to us, and we ask that you continue to pray with us for support, finances for printing more Bibles (**Please Consider Helping**) and continued growth.
